

Lexis® PSL

Today's lawyers need to find answers faster than ever, and provide advice with confidence. LexisPSL helps you work smarter.

Spend less time looking for answers

- Access concise practice notes to find the answers you need quickly
- Take advantage of easy linking to related practical content and further reading
- Clear editorial style to facilitate reading online

Access direct links to the underlying law

- Know you can trust our advice with quick links to the primary and secondary law
- Access related content with clear signposting to key practitioner texts
- Ensure best practice and reduce the complexity of searching multiple sources

Speed up process-intensive work

- Save time with 20+ task-based calculators
- Access drafting notes and precedents
- Download client ready material including flowcharts and training materials
- Access fillable forms in PDF format for easy sharing

Why LexisPSL?

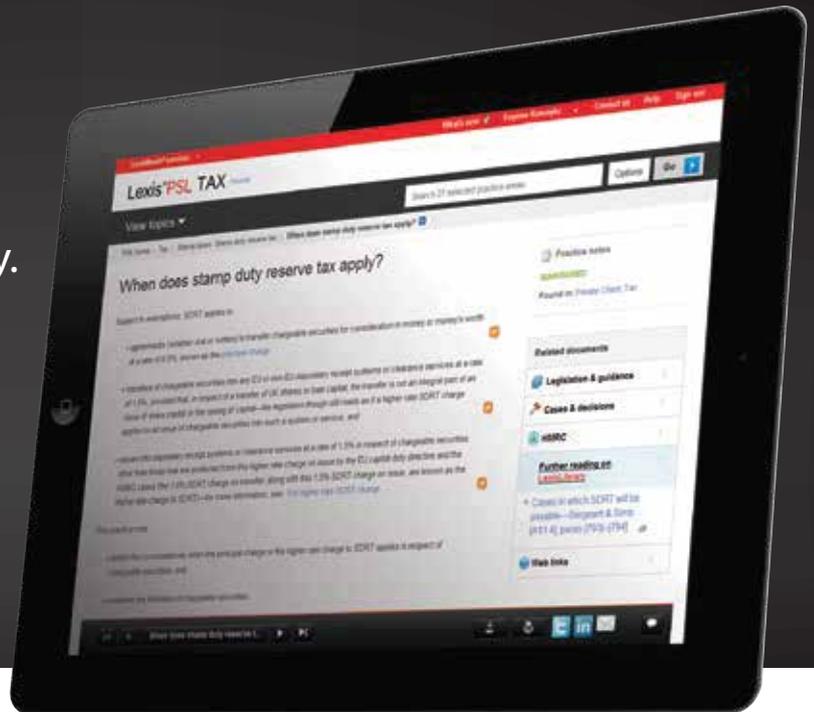

LexisPSL provides up-to-date practical guidance from specialist solicitors and barristers so you can work more efficiently and provide advice with confidence. All our advice comes with direct links to the underlying case law and authority in LexisLibrary, the UK's most authoritative and comprehensive legal library.

Practical commercial advice to help you get more done each day.

Back up your work with authority.

Our layered approach to research gives you more control over when and how you access the level of information you need.

Short, concise practice notes help you find what you need more quickly, but we also give you the ability to link directly to deeper research in LexisLibrary*. And you only need to log in once to navigate between the practical guidance of LexisPSL and the primary law and commentary in LexisLibrary*.

LexisPSL is available across a comprehensive suite of practice areas:

| | | |
|--------------------|-------------------------------------|----------------------------|
| Arbitration | Family | Practice Management |
| Banking & Finance | Financial Services | Private Client |
| Commercial | Immigration | Property |
| Competition | In-House | Public Law |
| Construction | Intellectual Property & Information | Restructuring & Insolvency |
| Corporate | Technology | Share Incentives |
| Corporate Crime | Local Government | Tax |
| Dispute Resolution | Pensions | Wills and Probate |
| Employment | Personal Injury | |
| Environment | Practice Compliance | |

*Further reading links to commentary sources, and links to cases and legislation not included in your practice area module, will require a subscription to LexisLibrary
